Re: Network US, Inc. d/b/a CA Affinity Status

Dear Sir or Madam:

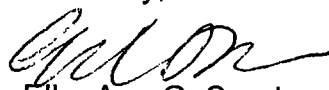

On behalf of Network US, Inc. d/b/a CA Affinity ("NUS") this letter serves to update the Tennessee Regulatory Authority (the "Authority") on the certification status of NUS. NUS is aware that its authority to transact business from the Tennessee Secretary of State as well as the Authority, has been cancelled.

NUS has been in contact with the Tennessee Department of Revenue and the Secretary of State in order to remedy the situation. Due to internal and external personnel and financial preparation changes, the required financial documentation was not finalized in a timely manner. NUS has filed the 2002 tax returns which were outstanding and is in the process of finalizing the 2003 corporate tax returns, which will enable NUS to prepare and submit the outstanding returns to the Secretary of State. This will allow the Department of Revenue to issue the requisite tax clearance for NUS to be reinstated with the Secretary of State.

NUS sincerely apologizes for the situation and is working feverishly to bring the company back in good standing with both the Secretary of State and the Authority.

Please call me should you have any questions concerning this filing.

Sincerely,

  
EllenAnn G. Sands
